

REMARKS

Favorable reconsideration of this application is respectfully requested.

The outstanding Office Action requested that a Supplemental Reissue oath/declaration be submitted. The present response submits such a Supplemental Reissue Declaration, which as suggested in the Office Action states:

Every error in the patent was which corrected in the present reissue application that is not covered by a prior oath/declaration submitted in the application, arose without any deceptive intention on the part of the applicant.

Applicants submit the submission of that Supplemental Reissue Declaration addresses the outstanding rejection thereto.

The outstanding Office Action also includes claim objections, which are addressed as suggested in the Office Action.

The Office Action further indicates claims 1-22 are allowed if the issue of the Supplemental Reissue Declaration was addressed, which applicants submit has now been addressed. Thereby, applicants submit the claims are allowable.

In view of the submission of the present response applicants respectfully submit the present application is now in condition for allowance, and it is hereby respectfully requested that this case be passed to issue.

Respectfully submitted,
